

## ATTENDANCE BULLETIN NO. 1

### 7TH NOVEMBER 2024

Hello everyone!

Welcome to the first edition of the Attendance Bulletin for this year. Check out the winners of the Achievement Assembly for Term 1 on Page 4. It is also packed with attendance information to help and guide you.

My very best wishes  
Mrs Hore

# DID YOU KNOW?

There's no need for your child to remain off school if they have minor ailments, getting over a cold or on antibiotics.

We can administer any pain relief medication or antibiotics at school, just bring it to the school office and we will make sure your child receives their medicine in line with your instructions by trained staff. You will receive a notification from the school confirming the medicine has been given.

## ABSENCE THROUGH ILLNESS

We understand and appreciate that children can become ill and that it is not always easy to decide whether to send them into school or keep them at home. To help you with this decision the NHS has a very good guide on when to send your child to school. This can be viewed by clicking the link below:

## ARRIVING LATE

A reminder that the gates are opened at **8.30** and close again at **8.45**. If your child arrives after 8.50 they will be marked as LATE. Take a look at the table below which shows how being just 5 minutes late each day can add up.

### Arriving Late can affect your child's attendance

Lateness = lost learning	
(Figures below are calculated over a school year)	
5 minutes late each day	3 days lost!
10 minutes late each day	6.5 days lost!
15 minutes late each day	10 days lost!
20 minutes late each day	13 days lost!
30 minutes late each day	19 days lost!
