## Wellbeing Curriculum

### Year 2 Term 3

*Our school's vision for our Wellbeing Curriculum is that children are able to keep themselves physically, mentally and emotionally safe and healthy, throughout their lives. They will do this by developing the skills and knowledge they need to make informed choices, build healthy & positive relationships and by knowing where to seek help when it is needed.*

*If you have any questions or concerns about any aspect of the Wellbeing Curriculum please contact the Wellbeing Lead, Mr Wheeler, through the school office for further information, clarification and support.*

#### **This term we will be learning...**

- To understand that jobs help us to earn money to pay for things we want or need
- To explore a range of different jobs including those done by people they know or in the local community
- To recognise that people have different strengths and interests that enable them to do different jobs
- To know that people use the internet and digital devices in their jobs and everyday life
- To understand how to get help if something makes them feel worried or upset, or if they experience unkind behaviour online

#### **Our Key question for this term is...**

***What jobs do people do?***

#### **Key Vocabulary we will learn and use...**

*Jobs, Occupation, Money, Wages, Strengths, Interests, Online, Internet*

If you or your child needs help and support these websites have information that can help...

<https://www.childline.org.uk/>

<https://anti-bullyingalliance.org.uk/>

#### **Points to note – Learning about Jobs**

The resources we will be using during these lessons have been designed to help the children learn about skills they have and will develop over time, and how these skills are transferable in a range of contexts which will eventually include the workplace. We want for all children to feel empowered about their future and for them to know that they have multiple options and choices available to them for their future education and careers. During these lessons there will be opportunities to explore different careers, showing sensitivity to the experiences and knowledge children already have. We will also begin to address issues around stereotypes related to jobs people do and try to tackle these by making children aware that jobs are not gender specific for example. We would love to hear from parents who might like to share with the children information about their job– please do get in touch if you are interested.

**The whole school will be taking part in lessons about Internet Safety on 'Safer Internet Day' which is being held on 8th February. The theme for this year is...**

**'All fun and games? Exploring respect and relationships online'.**

You can access information and resources to help you keep your child safe online on this website-
