

# Year 6 Term 1

Oak class

Cedar class

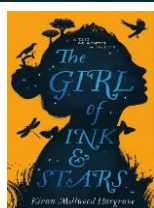

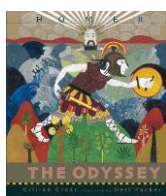

## 'Who Let the Gods Out?'

In history, we will be learning about the ancient civilisation in Greece and how things discovered there impacted other civilisations and our lives today. In science, we will be learning about electricity and creating increasingly complex circuits. In art, we will be using screen printing techniques and looking at Greek patterns. In RE, we will be answering the question 'Why do some people believe in God and some people not?'. In PE, we will be revisiting and refining our netball skills ready to teach you on our Child as the expert event in October.

### English

In English this term, we will be writing our own epic adventure story based on our learning of the Ancient Greek myths involving Odysseus. Along the way, we will write some speeches, diary entries and dialogues.

### Destination Reader

We will be reading The Girl of Ink and Stars by Kiran Millwood Hargrave. We will recap and practice all of our key reading skills such as predicting, summarising and inferring.

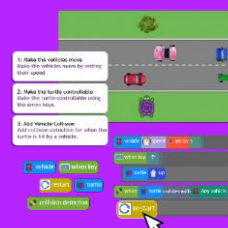

### Maths

Using our maths mastery approach, we will be beginning the year by recapping place value to form a foundational understanding to build upon this year in maths. We will use a combination of concrete, pictorial, and abstract methods to support this.

### Computing

We will be focusing on coding this term with the final project being to design and code a computer game that responds to user inputs.

### Wellbeing

We will be focusing on how we can keep healthy, both physically and mentally, as we grow. We will cover the importance of sleep and healthy use of social media.

### Support at home

Please see below activities that will support your child at home in their learning.

- **Times table rockstars** - Please see teachers for log in details.
- **Daily reading** - Children will bring home their library books and will be able to take quizzes on these books once complete.

### Key information

Please see below for this term's key dates:

**PE – Wednesday**

Please send your child to school in PE kit.

**Child as the expert event –**  
Wednesday 23<sup>rd</sup> October – Netball masterclass.
