Friday 20th March

What an incredible fortnight it has been in school. The past two weeks have been filled with so many moments of pride across all year groups.

We have celebrated some outstanding sporting successes, with pupils representing the school brilliantly in Dodgeball, Cross Country, and Tag Rugby. Their effort, teamwork, and determination have been truly impressive, and every child involved should feel extremely proud.

Last week, our Year 5 children enjoyed their much-anticipated residential trip to PGL. They embraced every outdoor challenge with enthusiasm from high ropes and climbing to team-building activities and confidence-boosting tasks. The memories they have made will stay with them for years to come. A huge thank you goes to the dedicated staff who supported the trip and also to parents for the wonderful engagement on Facebook. It was heart-warming to see how proud you were of everything your children were achieving. We were also delighted to welcome our friends from Boogie Bounce for another fantastically bouncy visit. The hall was full of smiles, jumping and brilliant energy. Alongside this, the children took part in another excellent JOLF session, developing their golf skills in fun and active ways. Every child involved had a wonderful time. Yesterday, we welcomed families into school for the Year 5 Child as the Expert event. The children showcased their learning about rainforests in the most creative and engaging ways imaginable. It was a pleasure to see their confidence in sharing what they had learned, and lovely to have so many families join us.

Today we have been wearing something red in support of Comic Relief. Thank you for your donations and for helping us contribute to such an important cause. The school has been filled with bright colours and even brighter smiles.

Have a sunny weekend and see you next week for the last week of term 4!
