### Welcome!

On Thursday, families who had chosen to join our wonderful Glenleigh Park School were notified by the Local Authority. We are delighted to welcome them all to our school. We have some children from existing Glenleigh families and some new families too.

### Straight into learning!

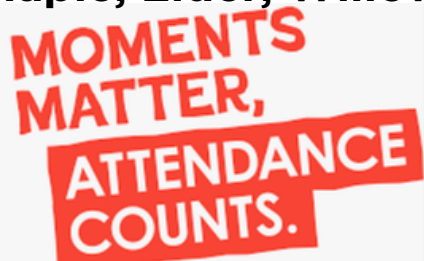

Did you know that...

Your children start some of the most important learning of the day straight after the register every day. This is the time when children are learning to read. This could be through phonics or comprehension activities. If your child is late after the gate closes, at 08.45, they will miss the first five minutes of their reading learning for that day. If they turn up at 09.15 they have missed 20 minutes of their reading session that day. With reading, every minute counts to help children develop as fluent and confident readers. Please help us to ensure they can access all the reading learning by getting them to school on time.

### Attendance

Class attendance top three this week:

Maple, Elder, Willow

Will it be your class next week?

Coming soon in Assembly...

Which teacher will be 'crowned' Attendance Champion for their class?

### Safety first!

This is another reminder that it is important to ensure that children are supervised when waiting for the gates to open at 08.30 each morning. Please do not allow them to stand in the driveway or on the road as this is unsafe.

Please park sensibly around the school and do not block driveways or park on double yellow lines.

### Putting your best foot forward

Please make sure that you support your children to show Glenleigh at its best when walking to and from school. Our children are our best advert and when they are in uniform they are easily recognisable so we want them to be showing how wonderful they are!
