Dear Families

We have had another positive fortnight in school and it has been lovely to see children continuing to enjoy a wide range of enriching curriculum and personal development opportunities.

We welcomed another amazing JOLF visit this week, with pupils once again showing great enthusiasm as they developed their skills and confidence through these engaging sessions.

Our links with Bexhill Academy continue to strengthen. Year 5 pupils took part in another Masterclass, and we have also welcomed students from Bexhill Academy through their Year 7 and 8 Future Leaders programme. These visits provide fantastic role-models for our pupils and help to build confidence and aspiration as they look ahead to the next stage of their education.

Last week marked the first week of the Summer term, and with it came much excitement as the field was opened for the first time this year. The children have been delighted to make use of the space, and we are looking forward to continuing to use it as the term progresses.

We are also looking ahead to next week when we have our first trip of the Summer term. Please keep an eye out for opportunities to help support trips throughout the term – your involvement really does make such a difference.

Wishing you all a sunny and restful weekend.

Warm regards,
Ms Barnard
