 Friday 22nd May - last day of term 5
 Monday 1st June - first day of term 6

Inset Days

Friday 26th June - School only - Nursery is open
 Wednesday 22nd July

Keep a look out!

Very soon the Trust will be sending out its annual survey to all families to get your views on our wonderful school. It would be great if we had as many people as possible completing the survey. To make this easy for you, alongside the email that you will receive we will also be putting QR codes up around the site to help you access the survey.

Why is the survey so important?

Last year, your views helped us make changes and improvements as well as helping us understand the things you feel are great about the school. Below you will see the headlines from last year.

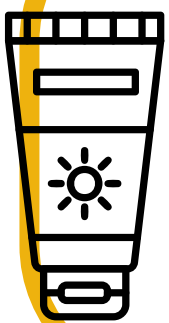

Parental Survey Outcomes	Percentages of families that 'strongly agree' or 'agree'
The school has high expectations of my child	79%
My child does well at school	89%
The school lets me know how well my child is doing	77%
There is a good range of subjects available to my child at school	83%
My child has lots of opportunities to take part in clubs and activities	79%
I would recommend this school to another parent	78%
Communication from the school is good	81%

Last year, as a result of your feedback we have worked on sharing our personal development, offer more through Facebook, sharing our SEND offer on our website as well as communicating when our SENCo changed. We have also continued to work on communicating when allegations of bullying are made and supporting children to understand what is and isn't bullying.

Helping shape our school

Our hope is that as many families as possible complete our survey to give us further insights into what is working well and where we can improve. We want to continue to grow our school so all feedback is helpful to ensure that we are doing the right things at the right time to support our children and families.

Summer time

As the weather improves please remember that it is important for children to have a hat and to have sunscreen applied before school. In addition it is also really important for all children to have a named, refillable water bottle so they can access drinks to keep cool.

Attendance

Class attendance top three this week:
MAPLE, CHERRY, OAK

MOMENTS MATTER, ATTENDANCE COUNTS.

Will it be your class next week?

Coming soon in Assembly...

Which teacher will be 'crowned' Attendance Champion for their class?
