Friday 8th May 2026

Dear Families

Over the past two weeks, we have welcomed some wonderful visitors to our assemblies, further enhancing the personal development opportunities for our children. We were delighted to host representatives from Lifeguarding, as well as members of the Bexhill Rotary Club, who joined us to announce the winners of the writing competition that our Year 6 pupils participated in. It was fantastic to see our children recognised in this way, and these experiences continue to broaden their understanding of the world beyond school.

We have also enjoyed a wonderful trip for Year 5 to the De La Warr Pavilion, providing a valuable cultural experience for our pupils. A sincere thank you goes to all of the parent helpers who supported this visit – your help makes these opportunities possible and truly enriches the experience for the children.

Following the long weekend, we returned to school ready for another busy and productive week of learning. It has been a pleasure to see so much engagement across the school, including watching our Year 4 children rehearsing for the Summer Sing today. Their enthusiasm and effort are already shining through, and we look forward to their performance on Wednesday 17<sup>th</sup> June at 5pm at the De La Warr - have you got your tickets yet?

Looking ahead to next week, we would like to wish our Year 6 pupils the very best of luck (not that they need it!) as they undertake their SATs. These statutory assessments will give them the opportunity to showcase all of their knowledge in reading, maths, grammar, and spelling.

We kindly ask for your support in ensuring the week runs as smoothly as possible by making sure your child arrives on time each day. Please also note that staff will have limited availability for conversations at the school gates in the mornings, as all staff will be required for test administration.

We are incredibly proud of our Year 6 pupils and know they are ready to shine.

**Good luck, Year 6!**

Warm regards.

Ms Barnard - Head of School

## Attendance

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

Class attendance top three this week:

Poppies - 99.48%

Birch - 97.74%

Reception Class trip to Paradise Park - sign up via Arbor to give consent!

### INSET Days:

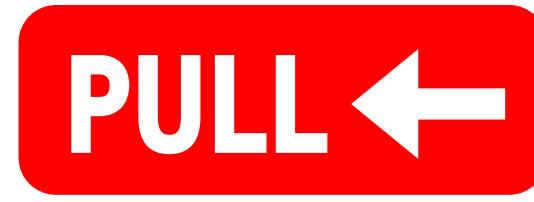

**Friday 26th June** - INSET Day (**Nursery is open**)

**Wednesday 22nd July** - INSET Day

# Keep a look out!

Very soon the Trust will be sending out its annual survey to all families to get your views on our wonderful school. It would be great if we had as many people as possible completing the survey. To make this easy for you, alongside the email that you will receive we will also be putting QR codes up around the site to help you access the survey.

In Year 3 and 4 Science lessons they have been exploring forces and magnets. In the lessons we identified different times we use pull and push forces in our day to day life, like moving a chair or closing a door!

We looked for different ways we might use a push or pull force in everyday life.

We looked for different ways we might use a push or pull force in everyday life.

## Our Achievements

Early Years and Key Stage 1		
Class	Star of the week	PE award
Daisies	Flynn	Back next week
Poppies	Opie	Back next week
Daffodils	Kinsley	Back next week
Tulips	Ivy-Mae	Back next week

Key Stage 2		
Class	Star of the week	PE award
Elder	Harper	Eden
Cherry	Elioenai	Scarlett O
Maple	George	Marcus
Willow	Modou	Jemima
Sycamore	Alex	Nyla
Birch	Sofia	Luyando
Rowan	Seb	Floss
Oak	Frankie B	Jacob
