It has been incredible to see the staff and children working together so positively to keep cool during this period of extreme heat. From ice poles and feet in trays of water, to fans, calm time in the shade and even moving classrooms to cooler spaces, everyone has shown great teamwork and resilience. Despite the challenging conditions, learning has continued brilliantly. Over the past two weeks, children have been undertaking assessments which help us to understand where they are in their learning and how best to support their next steps.

We have also enjoyed some fantastic enrichment experiences. Our Year 6 pupils had a wonderful activity week — although I must admit I was a little disappointed that Mr Marchant didn't repeat his legendary water slide dismount at Knockhatch this year! The children, however, had an absolutely brilliant time. Meanwhile, Year 1 and Year 2 enjoyed an exciting adventure at the beautiful Bodiam Castle, making memories that I am sure will last a long time.

Have a wonderful weekend, and we look forward to seeing you all — hopefully in much cooler conditions — on Monday. Keep cool and carry on!
