Dear Year 4 Glenleigh Families

Welcome to Year 4!

We would like to outline our homework expectations for the year to help support your child's learning at home.

We strongly encourage children to read every day as regular reading has a significant impact on their progress across the curriculum. Children should also spend 20 minutes each week on Times Tables Rock Stars (TTRS) to help develop their multiplication fluency. In addition, weekly spelling assignments will be set on EdShed for children to practise at home, these will be set every Monday and are due in by the following Sunday. We may also send home some maths sheets based on our current learning, which can be completed over the weekend and brought back into school on Mondays.

If you are unable to access a device for any of the online learning activities, please let your child's teacher know and we will be happy to provide paper copies instead.

Enclosed with this letter is your child's MyLogin emoji passcode. To access MyLogin, simply search for *"MyLogin"* in your internet browser, enter the school's name and then your child's emoji passcode. From there, all their online learning accounts are stored in one place, meaning they will not need to remember any additional usernames or passwords. Alternatively, you can click or type in this link https://app.mylogin.com/login/glenleigh-park-primary-academy-tn39-4ed/emoji-password

If you experience any difficulties accessing MyLogin or any of the online platforms, please speak to your child's teacher. We are always very happy to help.

Thank you for your continued support.

Kind regards.

Miss Turner and Miss Beazer
