Dear Glenleigh Park Families

JOLF and Boogie Bounce – Term 1 and Term 2

I am excited to inform you that Glenleigh Park will once again be hosting JOLF and Boogie Bounce, this will be taking place across the first two terms of this academic year.

Hosting Neil from JOLF as well as the team from Boogie Bounce have been an overwhelming success over the last two academic years, with a significant amount of positive feedback from our children and staff, not to mention lots of smiles on faces throughout the year. As a result, this was enough of a reason to invite them both back to further this success. The days your child's classes are participating are as follows:

JOLF	
Date	**Classes**
7th October & 2nd December	Y1/2 Sunflowers Y4 Willow Y5/6 Rowan Y5/6 Sycamore Y6 Oak Y6 Cedar
14th October & 9th December	EYFS Bluebells EYFS Daisies Y1/2 Tulips Y3 Elder Y3 Larch Y4 Maple

Boogie Bounce	
Date	**Classes**
15th October & 8th December	Y1/2 Sunflowers Y4 Willow Y5/6 Rowan Y5/6 Sycamore Y6 Oak Y6 Cedar
16th October & 7th December	EYFS Bluebells EYFS Daisies Y1/2 Tulips Y3 Elder Y3 Larch Y4 Maple

For Boogie Bounce, please make sure your child wears PE kit and trainers. For JOLF, your child does not need to wear a PE kit on these days unless they would normally have PE. All equipment will be provided, and the sessions are designed to be safe, enjoyable, and accessible for children of all skill levels. We are also pleased to inform you that these sessions are once again fully funded by the school's sports premium funding, ensuring this opportunity is accessible to all pupils.

For those of you who are not familiar, JOLF is a structured, school-based program designed to introduce children to the sport of golf using adapted equipment and an engaging curriculum. Through JOLF's "*JOLFer to GOLFer*" programme, children will participate in sessions that help them

develop fundamental golf skills and an understanding of the game. Meanwhile, Boogie Bounce is a fun, interactive workout where each child gets their own trampoline, getting to bounce along to music under the supervision of a specialist coach.

Kind regards.

Mr Marchant
PE Lead
