No Dogs on site

This is a polite reminder that dogs are not permitted on School site, even if they are in a carrier.

Please can we also ask that if you have a larger dog and wait outside the gates, that you are mindful of children and passers by. Unfortunately some children are unsure of dogs or may be scared, so we would ask that you step away from the gates with your dog.

Many thanks for your co-operation

Has your child got a medical condition or allergy?

If you've previously told us that your child has a medical condition or allergy then they must have an Individual Health Care Plan in place.

if you haven't already, please complete the online form by clicking HERE. This is an information gathering form so we can put together their IHCP. It's really important that you do this.

Many thanks
